

# Fall 2022 Guest Lecture Series

## Department of Computer Science at Columbia University

**Host: Yongwhan Lim**

CS W4995 Section 7: Technical Interview Prep in C++

CS W4995 Section 8: Competitive Programming

Always **6pm ET** on **Mondays!**

Default time slot is one hour, but can range from 30 minutes to 90 minutes.

Date	Speaker
Monday, September 12, 2022	<b>Ravi Vakil</b> , Professor of Mathematics at Stanford University, four-time Putnam Fellow, and International Mathematics Olympiad (IMO) Perfect Scorer
Monday, September 19, 2022	<b>Etienne Vouga</b> , Associate Professor of Computer Science at University of Texas - Austin and International Collegiate Programming Contest (ICPC) Coach
Monday, September 26, 2022	<b>Tianyi Liang</b> , Software Engineer (Vice President) at Two Sigma Investments and ICPC World Finalist
Monday, October 3, 2022	<b>Oleg Rudenko</b> , Software Engineer at The Voleon Group and Top 16 in 2008 The William Lowell Putnam Mathematical Competition
Monday, October 10, 2022	<b>Jingbang Chen</b> , ICPC Coach at Georgia Institute of Technology and ICPC World Finalist
Monday, October 17, 2022	<b>Joe Terlizzi</b> , Regional Contest Director for ICPC Greater New York Region <b>John Buck</b> , Chief Judge for ICPC Greater New York Region and World Finals and System Operations Volunteer for ICPC North America Championship
Monday, October 24, 2022	<b>Rachel Krohn</b> , Assistant Professor of Computer Science at Rose-Hulman Institute of Technology and ICPC Organizer
Monday, October 31, 2022	<b>Chen Sun</b> , Postdoctoral Fellow at Mila and three-time IMO Canadian team member and two-time silver medalist

Monday, November 14, 2022	<b>Yunjiang Jiang</b> , Staff Software Engineer at Moveworks Inc
Monday, November 21, 2022	<b>JongMan Koo</b> , Portfolio Manager at Tower Research Capital and second place finisher at 2007 TopCoder Open
Monday, November 28, 2022	<b>Quanquan Liu</b> , Postdoctoral at Northwestern University, USACO Coach, and North America Championship and Programming Camp (NAC-NAPC) Trainer
Monday, December 5, 2022	<b>Sudeep Banerjee</b> , Software Engineering Manager (Senior Vice President) for Macro Engineering at Two Sigma Investments
Monday, December 12, 2022	<p><b>Kaiheng Dai</b>, Senior at Columbia University majoring in Computer Science, invited to 2022 ICPC World Finals</p> <p><b>Kevin Yang</b>, Sophomore at Columbia University, invited to 2022 ICPC World Finals</p> <p><b>Jiajie Lai</b>, Masters at Columbia University majoring in Statistics, invited to 2022 ICPC World Finals</p>

Here are the growing list of guest lecturers that would supply recorded videos instead:

- **Gladia Hotan**, Scientist at the Institute of High Performance Computing, A\*STAR, Singapore
-
