Fall 2022 Guest Lecture Series
Department of Computer Science at Columbia University
Host: Yongwhan Lim
CS W4995 Section 7: Technical Interview Prep in C++
CS W4995 Section 8: Competitive Programming

Always **6pm ET** on **Mondays @ CSB 480**
Default time slot is one hour, but can range from 30 minutes to 90 minutes.

Date	Speaker
Monday, September 12, 2022	**Ravi Vakil**, Professor of Mathematics at Stanford University, four-time Putnam Fellow, and International Mathematics Olympiad (IMO) Perfect Scorer
Monday, September 19, 2022	**Etienne Vouga**, Associate Professor of Computer Science at University of Texas - Austin and International Collegiate Programming Contest (ICPC) Coach
Monday, September 26, 2022	**Tianyi Liang**, Software Engineer (Vice President) at Two Sigma Investments and ICPC World Finalist
Monday, October 3, 2022	**Oleg Rudenko**, Software Engineer at The Voleon Group and Top 16 in 2008 The William Lowell Putnam Mathematical Competition
Monday, October 10, 2022	**Jingbang Chen**, ICPC Coach at Georgia Institute of Technology and ICPC World Finalist
Monday, October 17, 2022	**Joe Terlizzi**, Regional Contest Director for ICPC Greater New York Region **John Buck**, Chief Judge for ICPC Greater New York Region and World Finals and System Operations Volunteer for ICPC North America Championship
Monday, October 24, 2022	**Rachel Krohn**, Assistant Professor of Computer Science at Rose-Hulman Institute of Technology and ICPC Judge/Organizer
Monday, October 31, 2022	**Chen Sun**, Postdoctoral Fellow at Mila and three-time IMO Canadian team member and two-time silver medalist

Monday, November 14, 2022	**Antonette Marie Logar**, Director of ICPC North America, Director of the NAC
Monday, November 21, 2022	**JongMan Koo**, Portfolio Manager at Tower Research Capital and second place finisher at 2007 TopCoder Open
Monday, November 28, 2022	**Quanquan Liu**, Postdoctoral at Northwestern University, USACO Coach, and North America Championship and Programming Camp (NAC-NAPC) Trainer
Monday, December 5, 2022	**Sudeep Banerjee**, Software Engineering Manager (Senior Vice President) for Macro Engineering at Two Sigma Investments
Monday, December 12, 2022	**Kaiheng Dai**, Senior at Columbia University majoring in Computer Science, invited to 2022 ICPC World Finals **Kevin Yang**, Sophomore at Columbia University, invited to 2022 ICPC World Finals **Jiajie Lai**, Masters at Columbia University majoring in Statistics, invited to 2022 ICPC World Finals

Here are the growing list of guest lecturers that would supply recorded videos instead:
- **Gladia Hotan**, Scientist at the Institute of High Performance Computing, A*STAR, Singapore
- **Yunjiang Jiang**, Staff Software Engineer at Moveworks Inc
